Scheduling and Registration Procedures

Recognized Student Organizations

Student organizations officially recognized through the Office of Student Involvement wishing to use University property, facilities or services are required to contact the [Student Union Reservation Center](#). Recognized student organizations are required to comply with all University policies. Failure to adhere to policies may result in revocation of recognition, loss of privileges, or other sanctions for violation of such policies.

University Affiliated Organizations

Faculty, staff, students and student groups sponsored by academic or administrative departments or engaged in instructionally related activities (other than recognized student organizations) wishing to use University property, facilities or services may request the use of University property, facilities or services through the campus event reservation system, 25Live. For questions or assistance with the 25Live reservations system, requesters may contact the Scheduling Office at 559.278.2941.

Non-Affiliates

Non-Affiliates wishing to use University Property to conduct events or activities on campus consistent with the Policy are required to contact the Office of the Vice President for Administration.

Event Security - Public Safety

To address public safety issues (routes of march, necessary public safety staffing, disruption of campus academic programs and other events etc.), groups are strongly encouraged to notify the Fresno State Police Department at least 24 hours in advance of the event to ensure safe ingress and egress on campus.

For events held on University Property, the Fresno State Police Department (FSPD) will assess security needs based on objective and credible evidence of specific risks, and not on assessment of the viewpoints, opinions, or anticipated expression of event speakers, sponsors, participants, community, or performers. FSPD is responsible for determining and providing the appropriate event security, not the event host. If FSPD determines the event has substantial security needs, the host organization must schedule a security assessment meeting with FSPD no later than six weeks prior to the event date. FSPD will discuss security concerns and recommendations at the security assessment meeting, and meeting participants will discuss options for addressing security needs that FSPD has identified.

The event sponsor(s) must agree to reimburse costs of basic security provided by FSPD. Fees will not be charged to event sponsors based on concerns that the subject matter of the event or viewpoints, opinions, or anticipated expression of the sponsors, event performers, or others participating in the event might provoke disturbances or incur costs to respond to such disturbances.

Activities and Uses on University Property Requiring Written Permission

The following activities and uses are prohibited unless prior written permission from the appropriate University official is obtained in accordance with the following procedures:

Display or Distribution of Published Materials

The display or distribution of books, newspapers, magazines, pamphlets, or similar published materials is permitted on campus provided that such published materials: (1) do not violate state or federal laws; (2) do not consist of term papers, theses, or other written materials submitted for academic credit that the displayer knows will be used to engage in academic dishonesty, including, but not limited to, plagiarism and cheating, or otherwise violate the Student Code of Conduct; (3) are not available for sale at the campus bookstore. The published materials

displayed shall not be in violation of the provisions of Chapter 7.5, Title 9, Part 1 (commencing with Section 311) of the Penal Code (relating to the sale and distribution of obscene matter), or of Chapter 6, Title 3 (commencing with Section 66400) of the Education Code (relating to the preparation, sale and distribution of materials to be submitted for academic credit).

Display or distribution of published materials must be conducted in a manner that (1) shall not unreasonably interfere with or obstruct the free flow of pedestrian or vehicular traffic, (2) shall not unduly interfere with campus pedestrian and vehicular circulation, (3) shall be carried out without amplification equipment, (4) shall be carried out without prolonged or repeated contact with persons who have declined the solicitation, (5) shall not violate state or federal laws, and (6) shall not occur during commencement time periods.

Requests submitted to the [Student Union Reservation Center](#) to communicate via chalking will be considered only from recognized student organizations, faculty and staff members or individual students, and those off-campus individuals or organizations that are co-sponsored by a recognized University organization. Chalking must not interfere with pedestrian traffic. A three-day maximum duration must be observed. A request to chalk, including date(s), location, the name of the responsible individual(s) or organization(s) and a commitment to clean and remove the chalking (following University guidelines) must be submitted via an approved event proposal form. Message content will not be considered in the University's review of requests to chalk.

Chalking is permitted only on concrete sidewalks. Crayola Washable Sidewalk Chalk is recommended for freehand art or message. Spray Chalk is permitted for stencils. Chalking must be located at least 20 feet away from building entrances and may not be located under an overhang, canopy, or other cover. Chalking is prohibited in all other campus locations. The form of chalk must be washable with water. Red colored chalk is NOT allowed. Removal of chalk must be scheduled to avoid disruption of campus activities. Should the responsible individual/organization chalk without permission or fail to adhere to the written removal plan, cleanup may be performed by the University and charged to the sponsoring organization.

The organization shall be responsible for its removal no more than two weeks after the event is over. The University reserves the right to remove signage (non-commercial and commercial) if the organization has not removed after this time period.

B. No Unmanned Aircraft System (UAS) (also known as a drone) may be flown from, on or around University Property without the express written approval of the University's Chief of Police.

C. Use of University Property for commercial purposes is prohibited unless prior written permission has been obtained from the University by contacting the Vice President for Administration and Chief Financial Officer.

Commercial transactions, including, but not limited to, the selling of books, newspapers, magazines, pamphlets, or similar published materials, and the display of property or services for sale on campus are prohibited unless proper written authorization has been obtained. Such permission shall be granted if:

- The proposed activity aids achievement of the educational objectives of the campus, does not unreasonably interfere with the operation of the campus, and is not prohibited by law; or
- The prospective buyer has agreed in writing in advance to an appointment, and the prospective seller makes no more than one appointment for any day, and such appointment does not interfere with the operation of the campus.
